Lesson 1 — Welcome to the University

Welcome to the Prof Samba Online University of Nigeria. This university is the online university of Prof Samba, Law Professor at Rev Fr Moses Orshio Adasu University, Makurdi. It stands beside his professorship, in his own name, and law stands first in it.

Study here is arranged simply: read the lesson, watch its video, work the questions in writing, and keep the Law Library beside you. Classes are in preparation and are kept small — at most thirty students — and the enrollment door on the Online School page gathers the names of those who wish to be written to first.

Begin with Lesson 2, and keep the rhythm this university teaches in every subject: read, watch, practise. Law is learned by working.
